MEMORIAL BENCH FUNDING

Thank you for your interest in donating to Pride Alliance in order to fund a memorial bench in honor of our late president Scout Schultz. They were a successful Computer Engineering major, with a passion for innovation and learning. As such, would like to have a bench on campus outside their major specific building, the Van Leer building. The total cost of a memorial bench is \$10000. This money is used for permanent upkeep of the memorial.

Of the \$10000, Pride alliance has secured \$5000. We are now reaching out to the community to help secure the rest. If Pride Alliance raises more than the amount needed, this money will be used to support other programming.

There are 3 ways to donate funds to Pride Alliance: Checks, Credit Cards and Online Giving. Please see the instructions below for information on how to donate to Pride Alliance.

Online Giving

- Go to <http://development.gatech.edu>
- Click on the "GIVE NOW" box toward the top middle of the page
- Enter your gift amount at the top and again in the "Other Designation" Box
- Then in the "If other, please specify" box, put "Pride Alliance/551000015/551585H"
- Once the transaction is completed, you will receive an automatic reply indicating the transaction was successful, and thanking you for the gift.
